

GCSE MARKING SCHEME

GERMAN

SUMMER 2014

INTRODUCTION

The marking schemes which follow were those used by WJEC for the Summer 2014 examination in GCSE GERMAN. They were finalised after detailed discussion at examiners' conferences by all the examiners involved in the assessment. The conferences were held shortly after the papers were taken so that reference could be made to the full range of candidates' responses, with photocopied scripts forming the basis of discussion. The aim of the conferences was to ensure that the marking schemes were interpreted and applied in the same way by all examiners.

It is hoped that this information will be of assistance to centres but it is recognised at the same time that, without the benefit of participation in the examiners' conferences, teachers may have different views on certain matters of detail or interpretation.

WJEC regrets that it cannot enter into any discussion or correspondence about these marking schemes.

MARK SCHEME - LISTENING

IMPORTANT GENERAL PRINCIPLES

A detailed mark scheme is provided but further answers will be discussed at the examiners' conference, in the light of candidates' scripts.

Figures and numbers are accepted.

Answers which contain incorrect spelling in either English or Welsh but are understandable and unambiguous in their meaning will be credited with the marks available. However, no marks will be given for a misspelt word which is the same spelling as the spelling in German.

Disregard additional incorrect information as long as the correct answer has been given and the additional information does not contradict or modify what has been said.

When extra boxes are ticked, credit the correct answers then subtract the incorrect ones. It is important to decide the scope of the mark allocation.

If candidates hedge their bets (give 2 contradictory answers) $+ 1 - 1 = 0$.

Possible errors in marking:

- Awarding more marks than are allocated.
- Forgetting a task is worth 2 marks and only giving 1 mark.
- Confusion about the number of details needed for allocated marks.
- Mathematical errors.
- Seeing a correct answer in the incorrect place and crediting it.
- Concentrating on seeking ticks in correct boxes and not seeing additional extra ticks in wrong boxes.

UNIT 1: LISTENING – SUMMER 2013

TAPESCRİPT

HIGHER TIER

- Q.1** Friends are talking about healthy living.
- (a) Um fit zu bleiben, gehe ich dreimal die Woche ins Fitnesszentrum.
 - (b) Ich finde es sehr langweilig im Fitnesszentrum. Ich gehe lieber jeden Tag nach der Schule spazieren.
 - (c) Es ist auch wichtig gesund zu essen. Ich esse jeden Tag Obst und Gemüse. Ich trinke keine Cola, weil sie so süß ist. Ich trinke viel Wasser.
 - (d) Viele Leute in meiner Klasse frühstücken gar nicht. Wenn man Hunger hat, lernt man einfach nicht. Ein gesundes Frühstück ist wichtig.
- Q.2** Friends are having a chat.
- (a) In Wales muss man jetzt die Plastiktüten im Supermarkt bezahlen.
 - (b) Letzte Woche habe ich meinen Eltern geholfen. Ich habe viel im Garten gearbeitet.
 - (c) Ich war gerade im Internet und habe mit meiner Brieffreundin am Computer gesprochen. Sie hat mir mit meinen englischen Hausaufgaben geholfen.
 - (d) Nächste Woche heiratet meine Schwester. Wir werden feiern.
- Q.3** You are on work experience in a tourist office and have an enquiry from a German family about their stay in Wales.

Part 1

Wir kommen am 2. Juni in Wales an. Wir sind eine Familie von 4 Personen und haben 2 Kinder. Mein Sohn ist sehr sportlich und möchte das Rugbystadion in Cardiff besuchen. Meine Tochter ist musikalisch und möchte ins Konzert gehen.

Part 2

Wir bleiben 3 Tage in Cardiff vom 2. bis zum 4. Juni. Können Sie ein kinderfreundliches Hotel empfehlen? Es soll nicht zu teuer sein. Wir würden gerne auch nach Nordwales fahren. Ist es besser ein Auto zu mieten oder ist es leichter mit der Bahn nach Holyhead zu fahren?

Q.4 Friends are talking about work experience.

Part 1

1. Nächste Woche machen wir ein Arbeitspraktikum. Ich freue mich sehr darauf.
2. Wieso denn? Ich werde in einer Bank arbeiten, weil ich keinen Platz bei einer Computerfirma bekommen konnte. Ich würde lieber etwas Praktisches machen.

Part 2

3. Ich finde es auch so unfair, dass wir eine Woche lang arbeiten müssen. Es bringt uns gar nichts. Die Arbeitssituation hier in Deutschland ist nicht so gut und in anderen Ländern ist es noch schlimmer als hier.
4. Sei doch nicht so negativ. Das Berufspraktikum ist so eine gute Erfahrung und man lernt mehr über die Arbeitswelt.

Part 3

1. Meine Schwester Anna hat letztes Jahr ein Arbeitspraktikum gemacht. Für sie war es ganz toll. In der Schule war sie ziemlich faul, aber sie hat gelernt, dass sie gute Qualifikationen bekommen muss, um eine interessante Stelle zu finden.
2. Das Arbeitspraktikum für mich ist eine Zeitverschwendug. Für mich wäre es besser, die Woche in der Schule zu verbringen.

Q.5 Young people are talking about healthy living.

Part 1

3. Lisa, was hast du am Samstag gemacht?
4. Ich war mit meiner Kusine Sara im Kino und danach sind wir essen gegangen. Meine Kusine isst sehr gern italienisch und es gibt ein neues Restaurant in der Altstadt.

Part 2

3. Was habt ihr gegessen?
4. Ich habe Pizza und Sara hat Hähnchen mit Pommes gegessen. Als Nachtisch haben wir beide italienisches Eis gehabt. Das war so lecker.

Part 3

1. Peter, das Problem für mich ist, ich finde Pizza lecker aber leider gar nicht so gesund.
2. Stimmt. Pizza enthält viele Kalorien und viel Fett.
4. Das weiss ich und normalerweise esse ich gesund: Salat, Gemüse, Obst und ich trinke Wasser oder Kräutertee.
3. Um gesund zu sein, muss man alles essen. Wenn man ab und zu Fastfood isst, ist es auch nicht so schlimm.

Part 4

1. Ich habe neulich gehört, dass der Lebensstil von Jugendlichen sehr ungesund ist. Wir essen ungesund, machen wenig Sport und sitzen stundenlang am Computer oder vor dem Fernseher. Das finde ich auch komisch, weil man jetzt viel in der Schule über Fitness und gesunde Ernährung lernt.

Q.6 Young people are talking about the environment.

Part 1

1. Ich habe genug von der Umwelt gehört. Heute in der Englischstunde haben wir einen Artikel darüber gelesen und zu Hause müssen wir eine Präsentation machen. Wir sprechen zu viel darüber.
2. Die Umwelt ist aber ein sehr wichtiges Thema. Unsere Generation muss etwas machen. Wir haben viele Umweltprobleme: Umweltverschmutzung, zu viel Müll, sauren Regen. Wir sprechen über die Umwelt, aber wir sind umweltfeindlich.

MARK SCHEME

READING GENERAL PRINCIPLES

Foundation Total 40

Higher Total 40

All candidates will have attempted **either** the higher papers **or** the foundation paper. They will not have attempted both. (If they have done so, then contact WJEC.)

The principle underlying the marking is the total, partial or non-completion of the task required except for those questions involving a choice between options. In those instances, the answer is either correct or incorrect and there is no partially correct answer.

Multiple choice, true/false, choosing the correct option from a series of pictures etc. will be marked as agreed in the conference. No half marks will be awarded.

On some occasions there may only be a partial, incomplete, or ambiguous answer and we need to look at these on an individual basis.

Figures and numbers are acceptable.

Answers which contain incorrect spelling in either English or Welsh but are understandable and unambiguous in their meaning will be credited with the marks available. However, no marks will be given for a misspelt word which is the same spelling as the spelling in German.

Any incorrect information is disregarded as long as a correct answer is given unless the incorrect information obviously contradicts or modifies what has been said.

Our policy when too many alternative and incorrect answers are given is to penalise for each extra incorrect answer.

e.g. one answer possible and two answers given, the correct one and an alternative
 $= 1 - 1 = 0$

two possible answers and three answers given, two correct and an alternative
 $= 1 + 1 = 2 - 1 = 1$

Where the information given e.g. in brackets or with an oblique (unless considered an alternative answer) makes the answer more ambiguous we deduct a mark, i.e. $2 - 1 = 1$

Each of the tasks is worth 1 mark (there are 40 on the foundation and 40 on the higher paper) in all and the number of tasks per question is indicated by the scale printed at the side of the question. Each task should be marked as indicated in the marking scheme and as confirmed in the examiners' conference.

The marks awarded for each question should be shown in the margin by the question; these should be totalled and the total shown at the bottom of the margin on the final page. The total is out of 40 on the foundation paper and 40 on the higher paper.

It is important to avoid the following errors in marking.

- (a) Awarding more than the maximum per sub-section or task.
- (b) Forgetting that each task is worth **one** mark i.e. the maximum in the right hand margin should be the mark printed on the paper.
- (c) Confusion between the number of details required per question, especially when alternative answers are allowed.
- (d) Mathematical errors – incorrect addition and wrong transfer of total working mark to the front page.
- (e) Incorrect marking due to lack of appreciation of the marking scheme on specific points or due to ultimately believing that a wrong answer frequently given by candidates is correct!

UNIT 4 CONTROLLED ASSESSMENT WRITING MARKSCHEME

COMMUNICATION

MARKS	CRITERIA
9/10	As complete an answer as can be expected. Information is expressed clearly and in detail. Points of view are both developed and justified and presented in an organised fashion.
7/8	Both information and points of view are expressed clearly and unambiguously though there is a lack of development and justification.
5/6	Points of information are expressed intelligibly and answer has a clear structure and organisation. Some points of view are expressed ambiguously.
3/4	There is confusion about the nature of the task though some points of information are expressed intelligibly. Answer tends to be rambling and disorganised.
1/2	Minimal information is communicated and there is little indication that the task has been understood. There is an inability to communicate information or points of view clearly and coherently.
0	The answer is irrelevant or incomprehensible.

QUALITY OF LANGUAGE

ACCURACY

MARKS	CRITERIA
5	Almost always accurate though there may be minor errors in attempts at complex and adventurous structures. Verbs and time references are handled confidently. Basic principles of grammar are sound.
4	Simple structures are accurate though there may be errors in attempts at complex structures. There is a clear grasp of grammar and syntax. Verb and time references are sometimes ambiguous.
3	Simple structures are mainly accurate but there are many basic errors in complex structures. Basic principles of grammar and syntax are sometimes disregarded.
2	Simple structures are sometimes correct though there is an obvious influence of mother tongue grammar and syntax.
1	A high incidence of basic errors even in simple structures, betraying a very limited grasp of grammar.
0	No understanding of grammatical principles.

QUALITY OF LANGUAGE

RANGE

MARKS	CRITERIA
5	Vocabulary and structures attempted are varied and appropriate. Complex structures are handled with confidence. Language shows adventure even if not always totally correct.
4	There is a good range of appropriate vocabulary and structures. Complex structures are mostly correct.
3	There is a range of vocabulary and structures though these may not always be appropriate. Structures tend to be simple rather than complex.
2	The vocabulary and structures are barely appropriate for the task and show a heavy reliance on the mother tongue. There is a predominance of simple structures.
1	The vocabulary is mostly inadequate for the task. Words are strung together making little sense. There is little understanding of language structure.
0	The language and structures are totally inadequate for the task.
