Our Employees

Our employees are critical stakeholders in Center Parcs’ success. They directly interact with our guests and make sure they enjoy their stay with us, and come back again. We employ over 6,000 individuals and naturally understand the importance of a corporate culture that supports, develops and rewards all our employees, whatever their position in the company.

We are proud of our employees and each year our Star Performers programme rewards the top contributors to the business from each village and from Head Office.

Our dedication to our people has resulted in a committed workforce. Our annual employee (labour) turnover (23% in 2013) is below the leisure industry average and 30% of our employees have been with us for three years or more.

We reward employees for their commitment and loyalty with enhanced benefits packages after 2, 5 and 10 years service.
