Antarctica Protection Information

The International Association of Antarctica Tour Operators (IAATO) is an organisation to promote and practise safe and environmentally responsible tourism in the Antarctic. There are restrictions on numbers of people allowed ashore, and there are regulations and guidelines for visitors.

Special protection measures	
Name	Description
ASPA (Antarctic Special Protected Area)	Very strict management – a permit needed to enter
ASMA (Antarctic Special Managed Area)	Human activities are closely monitored
HSM (Historic Sites and Monuments)	Sites of early Antarctic expeditions are preserved
