

**GCE A level**

1203/02

**GEOGRAPHY – G3**

**Contemporary Themes and Research in Geography**

**SECTION B**

**RESEARCH**

P.M. THURSDAY, 9 June 2016

45 minutes

**To be given out after Section A is collected in.**

#### **ADDITIONAL MATERIALS**

In addition to this examination paper, you will need **one** 8 page answer book.

#### **INSTRUCTIONS TO CANDIDATES**

Use black ink or black ball-point pen.

Answer **both parts** of the question from **one** research theme.

Write your name, centre number and candidate number in the answer book provided.

#### **INFORMATION FOR CANDIDATES**

Each question carries 25 marks.

The number of marks is given in brackets at the end of each part-question.

You are reminded that assessment will take into account the quality of written communication used in your answers.

**You are reminded that this paper is synoptic and so will assess your ability to draw on your understanding of the connections between the different aspects of the subject represented in the Geography specification.**

**THIS PAPER REQUIRES THAT YOU MAKE THE FULLEST POSSIBLE USE OF EXAMPLES IN SUPPORT OF YOUR ANSWERS. SKETCH-MAPS AND DIAGRAMS SHOULD BE INCLUDED, WHERE RELEVANT.**

## SECTION B: RESEARCH

**Answer both parts (a) and (b) of the question from one research theme.**

### **Geography of Crime – Topic area: The perception of crime**

1. (a) For an investigation into the perception of crime, outline and justify data collection methods that could be used. [10]

(b) For your investigation into the perception of crime, describe the main findings and discuss how any limitations could be overcome. [15]

*You should state clearly the title of your research enquiry.*

### **Deprivation – Topic area: Contrasts in deprivation**

2. (a) For an investigation into contrasts in deprivation, outline and justify data collection methods that could be used. [10]

(b) For your investigation into contrasts in deprivation, describe the main findings and discuss how any limitations could be overcome. [15]

*You should state clearly the title of your research enquiry.*

### **Geography of Disease – Topic area: Factors affecting disease**

3. (a) For an investigation into factors affecting disease, outline and justify data collection methods that could be used. [10]

(b) For your investigation into factors affecting disease, describe the main findings and discuss how any limitations could be overcome. [15]

*You should state clearly the title of your research enquiry.*

### **Environmental Psychology – Topic area: Gender and environmental perception**

4. (a) For an investigation into gender and environmental perception, outline and justify data collection methods that could be used. [10]

(b) For your investigation into gender and environmental perception, describe the main findings and discuss how any limitations could be overcome. [15]

*You should state clearly the title of your research enquiry.*

### **Leisure and Recreation – Topic area: Changing patterns of leisure and recreation**

5. (a) For an investigation into changing patterns of leisure and recreation, outline and justify data collection methods that could be used. [10]

(b) For your investigation into changing patterns of leisure and recreation, describe the main findings and discuss how any limitations could be overcome. [15]

*You should state clearly the title of your research enquiry.*

**Microclimates – Topic area: Factors affecting microclimate**

6. (a) For an investigation into factors affecting microclimate, outline and justify data collection methods that could be used. [10]
- (b) For your investigation into factors affecting microclimate, describe the main findings and discuss how any limitations could be overcome. [15]
- You should state clearly the title of your research enquiry.*

**Atmospheric and Water Pollution – Topic area: Impacts of pollution**

7. (a) For an investigation into impacts of pollution, outline and justify data collection methods that could be used. [10]
- (b) For your investigation into impacts of pollution, describe the main findings and discuss how any limitations could be overcome. [15]
- You should state clearly the title of your research enquiry.*

**Geography of Retailing – Topic area: Changing retail patterns**

8. (a) For an investigation into changing retail patterns, outline and justify data collection methods that could be used. [10]
- (b) For your investigation into changing retail patterns, describe the main findings and discuss how any limitations could be overcome. [15]
- You should state clearly the title of your research enquiry.*

**Rivers – Topic area: Flood management**

9. (a) For an investigation into flood management, outline and justify data collection methods that could be used. [10]
- (b) For your investigation into flood management, describe the main findings and discuss how any limitations could be overcome. [15]
- You should state clearly the title of your research enquiry.*

**Small scale Ecosystems – Topic area: Management of a small scale ecosystem**

10. (a) For an investigation into management of a small scale ecosystem, outline and justify data collection methods that could be used. [10]
- (b) For your investigation into management of a small scale ecosystem, describe the main findings and discuss how any limitations could be overcome. [15]
- You should state clearly the title of your research enquiry.*

**END OF PAPER**
