6.	10					
7.	10					
8.	8					
9.	24					
Total	100					

INSTRUCTIONS TO CANDIDATES

Use black ink or black ball-point pen. Do not use pencil or gel pen. Do not use correction fluid. Write your name, centre number and candidate number in the spaces at the top of this page. Answer **all** the questions.

Write your answers in the spaces provided in this booklet. If you run out of space, use the additional page(s) at the back of the booklet, taking care to number the question(s) correctly.

INFORMATION FOR CANDIDATES

The number of marks is given in brackets at the end of each question or part-question.

You are reminded of the necessity for good English and orderly, clear presentation in your answers. Assessment will take into account the quality of written communication used in your answers.

Evaluate Loftus as example of the inte	nd Palmer's (1974) eraction between lar	research <i>'Recor</i> nguage and men	nstruction of automobil nory'.	le destruction: [

Outline the positive assumption of focus on 'the good life' and **one** other positive assumption.
